May 2002

## President's Message

It's hard to believe that it is already the month of May and the full blast of summer is just around the corner. With summer hopefully comes the rain we so desperately need. This brings to light the fact that we all need to abide by the water restrictions and water our lawns when the regulations allow. When the rains do come, please remember that we need to take precautions against mosquitoes by doing what we can to eliminate standing water in our yards. This includes removing old tires, soda cans, and anything that will hold water. Even a very small amount of standing water creates a breeding area for thousands of mosquitoes.

I would like to thank Dawn Garcia for stepping up and volunteering for the task of organizing the annual Windover Farms Easter Egg Hunt and brunch. She called many friends and neighbors to help with the event and together they made it an overall success, keeping the annual Windover Farms Easter tradition alive.

The next event coming up is the annual picnic on June 22. We have some volunteers for this event but could always use more. If you would like to help with setup or cleanup for the picnic, please give Joanie Hensley a call at 269-0611.

**Steven M Ward**  
President

School is out  
Please drive  
carefully

Speed  
Limit  
35

Please note board meeting is  
changed to May 16.
