October 2007

President's Message

It's October, and that means we will be having the Windover Annual Halloween Party on the 31st with pizzas and drinks for all members at Long Lake Park.

In other news, vandalism has been pretty bad so far this year. First, the 12 foot heavy steel chain across the opening in the pole fence in front of the pavilion was taken, including both locks and the connecting eye bolts. Then the lights and light fixtures in the racquetball court were broken and the men's bathroom door knob was taken off. That's been over \$1,000 in repairs out of our savings. To try to stop the damage, the keys to the bathrooms were changed last March and the racquetball ball key was changed in August.

More details on these and other topics are included at the www.windoverfarms.org website.

It's hard to believe that the annual meeting for 2008 is less than three months away. All but one of the Board seats will be vacant, and there are several important topics that urgently need to be addressed by the Windover community. More details will be provided in the next newsletter, and of course the website will be regularly updated with the latest information.
